At the annual general meeting of the Shareholders held on 27 August 2008 approval was given by the Shareholders for the granting of, inter alia, to the Directors (i) the 2008 Repurchase Mandate; and (ii) the 2008 Issue Mandate. In accordance with the terms of the approval, the 2008 Repurchase Mandate and the 2008 Issue Mandate will shortly expire on 8 September 2009 upon the conclusion of the forthcoming Annual General Meeting. To keep in line with current corporate practice, the grant of fresh general mandates for the same purpose is being sought from the Shareholders and ordinary resolutions to grant the General Mandates to the Directors will be proposed at the forthcoming Annual General Meeting. For and on behalf of
ASIA STANDARD INTERNATIONAL GROUP LIMITED
Fung Siu To, Clement
Chairman

This appendix serves as the explanatory statement required to be sent to the Shareholders by the Listing Rules in connection with the repurchase by companies with a primary listing on the Stock Exchange of their own securities. The intention of this explanatory statement is to provide the Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the proposed Repurchase Mandate to be granted to the Directors, which relates to the Shares.

1. FUNDING OF REPURCHASE

It is envisaged that repurchase will be funded entirely from the Company's available cash flow or working capital facilities which are funds otherwise available for dividend or distribution and thus legally available for such purpose in accordance with the provision of the Memorandum of Association and the Bye-Laws and the laws of Bermuda. There might be a material adverse impact on the working capital or gearing levels of the Company (as compared with the position disclosed in the financial statement for the year ended 31 March 2009) in the event the Repurchase Mandate was exercised in full at any one time. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

2. REASONS FOR REPURCHASE

Repurchases of securities will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its earnings and/or its net assets per Share.

3. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the number of Shares in issue was 11,370,045,847 Shares. Subject to the passing of ordinary resolution no. 4B set out in the Notice of Annual General Meeting approving the Repurchase Mandate on the basis of 11,370,045,847 Shares in issue at the date of the Annual General Meeting (assuming no further Shares are issued or repurchased by the Company after the Latest Practicable Date and up to the date of passing such resolution), the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 1,137,004,584 Shares during the period from the passing of the resolution granting the Repurchase Mandate up to the conclusion of the next annual general meeting or the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any relevant law to be held or when revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first. In addition, subject to the Capital Reorganisation becoming effective, there will be 1,137,004,584 Reorganised Shares in issue at the date when the Capital Reorganisation becomes effective (assuming no further Shares are issued or repurchased by the Company after the Latest Practicable Date and up to the date when the Capital Reorganisation becomes effective), the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 113,700,458 Reorganised Shares during the period from the date when the Capital Reorganisation becomes

effective up to the conclusion of the next annual general meeting or the expiration of the period within which the next annual general meeting of the Company is required by the Bye-Laws or any relevant law to be held or when revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever occurs first.

4. SHARE PRICES

In each of the previous twelve months before the Latest Practicable Date, the highest and lowest traded prices for the Shares on the Stock Exchange were as follows:

2008

June	0.118	0.097

5. UNDERTAKING

(a) Directors, their Associates and Connected Person

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their respective Associates, has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell securities to the Company.

No connected person of the Company (as defined in the Listing Rules) has notified the Company that he/she has a present intention to sell securities to the Company nor has he/she undertaken not to sell any of the securities held by him/her to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

(b) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make purchase pursuant to the Repurchase Mandate and in accordance with the Listing Rules and all applicable laws of Bermuda, and in accordance with the Memorandum of Association and the Bye-Laws.

(c) Effect of Takeovers Code

If as a result of a repurchase of securities, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. As at the Latest Practicable Date, Asia Orient Holdings Limited ("**Asia Orient**"), together with its Subsidiaries held 5,155,970,451 Shares, representing approximately 45.35% of the issued share capital of the Company. Mr. Poon Jing (an executive Director and having controlling interest in Asia Orient) is personally interested in 9,728,644 Shares, representing approximately 0.09% of the issued capital of the Company. Assuming the full exercise of the power under the Repurchase Mandate (and if the present shareholdings remain the same), the interest of Asia Orient together with its Subsidiaries and Mr. Poon Jing in the issued share capital of the Company will be increased to approximately 50.48%. Asia Orient may be required to make a general offer if as a result of purchase of its interest in the Company over a 12-month period is increased by over 2%. However, the Directors have no present intention to repurchase Shares to such extent. The Directors will not repurchase Shares on the Stock Exchange if the repurchase would result in the number of the listed securities of the Company which are in the hands of the public falling below 25%.

6. SHARE PURCHASE MADE BY THE COMPANY

No purchase of the Shares has been made by the Company during the six months prior to the Latest Practicable Date (whether on the Stock Exchange or otherwise).
