ASIA STANDARD INTERNATIONAL GROUP LIMITED

(泛海國際集團有限公司)*

(incorporated in Bermuda with limited liability)

(Stock Code: 129)

PROPOSED CAPITAL REORGANISATION

PROPOSED CAPITAL REORGANISATION

The Board proposes that the Company implements the Capital Reorganisation which will involve (a) a consolidation of every ten (10) Shares of HK\$0.01 each into one (1) Consolidated Share of HK\$0.10 each; (b) reduction in the issued share capital of the Company through a cancellation of the paid up capital of the Company to the extent of HK\$0.09 on each of the issued Consolidated Share such that the nominal value of each issued Consolidated Share will be reduced from HK\$0.10 to HK\$0.01; and (c) a subdivision of each authorised but unissued Consolidated Share into ten (10) Reorganised Shares of HK\$0.01 each. The credit arising from the Capital Reduction will be transferred to the contributed surplus account of the Company such that the Company may apply such surplus in any manner permitted by the laws of Bermuda and the Bye-Laws, such as distribution of contributed surplus to the shareholders.

GENERAL

The SGM will be convened and held for the Shareholders to consider, and, if thought fit, pass the resolutions to approve the Capital Reorganisation. A circular containing further detail of the Capital Reorganisation and a notice convening the SGM will be despatched to the Shareholders as soon as possible.

PROPOSED CAPITAL REORGANISATION

The Board proposes that the Company implements the Capital Reorganisation which will involve the Share Consolidation, the Capital Reduction and the Share Subdivision.

Share Consolidation

The Share Consolidation will involve the consolidation of every ten (10) Shares of HK\$0.01 each into one (1) Consolidated Share of HK\$0.10 each. As at the date of this announcement, the authorised share capital of the Company is HK\$4,000,000,000 divided into 400,000,000,000 Shares of HK\$0.01 each. Immediately after the Share Consolidation, the authorised share capital of the Company will be HK\$4,000,000,000 divided into 40,000,000,000 Consolidated Shares of HK\$0.10 each. As at the date of this announcement, there are 11,369,845,170 Shares of HK\$0.01 each in issue and fully paid. On the basis of such issued share capital, there will be 1,136,984,517 Consolidated Shares of HK\$0.10 each in issue once the Share Consolidation becomes effective. The Consolidated Shares will rank *pari passu* in all respects with each other.

Capital Reduction and Share Subdivision

The Capital Reduction of approximately HK\$102.3 million will involve a reduction of the issued share capital of the Company through a cancellation of the paid-up capital of the Company to the extent of HK\$0.09 on each of the then issued Consolidated Shares such that the nominal value of each issued Consolidated Share will be reduced from HK\$0.10 to HK\$0.01.

The Share Subdivision will involve the sub-division of each authorised but unissued Consolidated Share of HK\$0.10 each into ten (10) Reorganised Shares of HK\$0.01 each.

The credit arising from the Capital Reduction will be transferred to the contributed surplus account of the Company such that the Company may apply such surplus in any manner permitted by the laws of Bermuda and the Bye-Laws, such as distribution of contributed surplus to the shareholders.

Conditions of the Capital Reorganisation

The Capital Reorganisation (which will be effected in accordance with the Bye-Laws and the Companies Act) is conditional upon:

- (a) the passing of a special resolution by the Shareholders approving the Capital Reorganisation at the SGM;
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Reorganised Shares in issue arising from the Capital Reorganisation;

- (c) the compliance with the requirements of section 46(2) of the Companies Act, including (i) publication of a notice in relation to the Capital Reduction in an appointed newspaper in Bermuda on a date not more than thirty days and not less than fifteen days before the date on which the Capital Reduction is to take effect; and (ii) that on the date on which the Capital Reduction is to be effected, there are no reasonable grounds for believing that the Company is, or after the Capital Reduction would be, unable to pay its liabilities as they become due; and
- (d) the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required in respect of the Capital Reorganisation.

Assuming the above conditions are fulfilled, it is expected that the Capital Reorganisation will become effective on the next Business Day following the date of passing of the relevant resolution approving the Capital Reorganisation. The legal advisers to the Company as to Bermuda law have confirmed that, subject to the conditions of the Capital Reorganisation as set out above being satisfied, the Capital Reorganisation will be in compliance with the laws of Bermuda.

Effects of the Capital Reorganisation

As at the date of this announcement, the Company has:

- (a) Share Options entitling the holders thereof to subscribe for an aggregate of 134,041,445 Shares; and
- (b) Bonus Warrants entitling the holders thereof to subscribe for an aggregate of 2,171,260,369 Shares.

Subject to the Capital Reorganisation becoming unconditional, the subscription price and/or the number of Reorganised Shares to be issued under the Share Option Scheme and the subscription price of the Bonus Warrants may require adjustments in accordance with the terms and conditions of the Share Option Scheme and the instrument constituting the Bonus Warrants, respectively. Should any such adjustments be required, the Company will arrange for such adjustments to be certified by an approved merchant bank or an independent financial adviser or auditors of the Company (as the case may be) in accordance with the terms and conditions of the Share Option Scheme and the instrument constituting the Bonus Warrants, respectively, and will publish a further announcement in this regard.

Based on the Company's existing authorised share capital of HK\$4,000,000,000, represented by 400,000,000,000 Shares of HK\$0.01 each and the existing issued share capital of HK\$113,698,451.7, represented by 11,369,845,170 Shares of HK\$0.01 each, upon completion of the Capital Reorganisation, the authorised share

capital of the Company will remain at HK\$4,000,000,000 represented by 400,000,000,000 Reorganised Shares of HK\$0.01 each, and the issued share capital will be HK\$11,369,845.17 represented by 1,136,984,517 Reorganised Shares of HK\$0.01 each. Immediately after the Capital Reorganisation becoming effective, the Reorganised Shares will be traded in board lots of 2,000 Reorganised Shares. Any fraction of Reorganised Shares arising from the Capital Reorganisation will be aggregated and sold (if a premium, net of expenses, can be obtained) for the benefit of the Company. The Reorganised Shares will rank *pari passu* in all respects with each other.

The effect of the Capital Reorganisation is summarised below:

	Prior to the Capital Reorganisation	Immediately following the Capital Reorganisation becoming effective (Note)
Nominal value of each Share/Reorganised Share	HK\$0.01	HK\$0.01
Number of authorised Shares/Reorganised Shares	400,000,000,000	400,000,000,000
Authorised share capital	HK\$4,000,000,000	HK\$4,000,000,000
Number of Shares/Reorganised Shares in issue	11,369,845,170	1,136,984,517
Issued and fully paid-up share capital	HK\$113,698,451.70	HK\$11,369,845.17

Note: The issued share capital immediately after the Capital Reorganisation becoming effective is presented on the assumption that no further Shares would be issued or repurchased between the date of this announcement and the date of the SGM.

Based on 11,369,845,170 Shares in issue as at the date of this announcement, a credit of approximately HK\$102.3 million will arise as a result of the Capital Reorganisation and will be transferred to the contributed surplus account of the Company.

Implementation of the Capital Reorganisation will not, of itself, alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests of the Shareholders, except for the payment of the related expenses. The Board believes that the Capital Reorganisation will not have any adverse effect on the financial position of the Group and the Board believes that on the date the Capital Reorganisation is to be effected, there will be no reasonable

grounds for believing that the Company is, or after the Capital Reorganisation would be, unable to pay its liabilities as they become due. No capital will be lost as a result of the Capital Reorganisation and, except for the expenses involved in relation to the Capital Reorganisation which are expected to be insignificant in the context of the net asset value of the Company, the net asset value of the Company will remain unchanged before and after the Capital Reorganisation becoming effective. The Capital Reorganisation does not involve any diminution of any liability in respect of any unpaid capital of the Company or the repayment to the Shareholders of any paid-up capital of the Company nor will it result in any change in the relative rights of the Shareholders.

In order to alleviate the difficulties arising from the existence of odd lots of Reorganised Shares arising from the Capital Reorganisation, the Company will appoint an agent, Taifook Securities Company Limited, to stand in the market to provide matching services for the odd lots of Reorganised Shares. Shareholders should note that successful matching of the sale and purchase of odd lots of the Reorganised Shares would be made on a best effort basis but would not be guaranteed. Further details in respect of the odd lots arrangement and the free exchange of new share certificates will be set out in the circular to be despatched by the Company to the Shareholders.

Reasons for the Capital Reorganisation

Given that the Capital Reorganisation will (a) increase the trading price per board lot and hence reduce the overall transaction and handling costs for dealing in the Reorganised Shares; and (b) result in a smaller number of Reorganised Shares and hence reduce the operating costs of the Company, the Directors are of the view that the Capital Reorganisation is fair and reasonable, and in the interests of the Company and the Shareholders as a whole.

Listing and Dealings

Application will be made to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Reorganised Shares arising from the Capital Reorganisation.

The Reorganised Shares will be identical in all respects and rank *pari passu* in all respects with each other as to all future dividends and distributions which are declared, made or paid. Subject to the granting of the listing of, and permission to deal in, the Reorganised Shares on the Stock Exchange, the Reorganised Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Reorganised Shares on the Stock Exchange or such other date as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time.

Free exchange of Share certificates

Subject to the Capital Reorganisation becoming effective, Shareholders may submit existing certificates for Shares to the Registrar from Wednesday, 9 September 2009 to Friday, 16 October 2009 (both dates inclusive) to exchange, at the expense of the Company, for certificates for the Reorganised Shares in board lot of 2,000 Reorganised Shares. Thereafter, certificates for the Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such higher amount as may from time to time be allowed by the Stock Exchange) for each share certificate of the Shares cancelled or each new share certificate issued for the Reorganised Shares, whichever number of certificates cancelled/issued is higher. Nevertheless, certificates for the Shares will continue to be good evidence of legal title but will no longer be valid for dealings, trading and settlement purposes after the Capital Reorganisation has become effective and may be exchanged for certificates for the Reorganised Shares at any time in accordance with the foregoing.

Expected timetable for the Capital Reorganisation

The expected timetable for implementation of the Capital Reorganisation and the associated trading arrangements are set out below:

2009

Despatch of circulars and proxy forms in relation to the SGM to the Shareholders	Tuesday, 18 August
